2. Before the Board can hear any case twenty (20) copies of the following must be submitted along with the appropriate fee(s) to the Community Improvement Department by the established Deadline date:
 - A. Completed application.
 - B. Proof of ownership (1 copy).
 - C. A survey of the property showing all existing site improvements sign and sealed by a surveyor within the past three years, or a survey older than three years with an affidavit by the owner attesting that the survey accurately indicates what exists today.
 - D. A narrative from the applicant that addresses the variance criteria found in Section 69-91(a) (1-3). (See page 4 of this application).
 - E. Site plans, building plans, elevations and/or drawings clearly describing the proposed project.
 - F. If the applicant cannot appear in person, a designated representative shall be present and a letter so stating shall be submitted with the application.
3. Applicants to the Board are required to notify neighbors within a 200-ft radius of their property. Notices will be prepared by the City for hand delivery or certificate of mailing delivery by the applicant. If h and delivered, a signature of the property owner and date of delivery is required. If notices are sent via certificate of mailing, the postal receipt shall be returned to the Community Improvement Department not less than 10 days prior to the date of the public hearing. When condominium or cooperative apartment fall within the 200-foot radius, notices may be delivered to the manager or president of the condo association for distribution to the individual owners.

NOTE: The Community Improvement Department shall provide sufficient copies of the public notices for distribution.

4. A granted variance shall be valid for one year.
5. The Board shall prescribe a reasonable time limit within which the action for which the variance is required shall be commenced; such time period shall not exceed twelve (12) months from the date of the hearing.
6. The staff report will be available to the applicant following distribution to the Board (approximately one week).
7. To remain in effect after one year, one of the following must have occurred:
 - A. An extension of time has been approved by the Board;
 - B. Building permits relating to the requested variance have either been applied for, or granted;
 - C. A site plan review relating to the requested variance has been applied for or approved by the Planning and Zoning Board.

Any requests for an extension of time relating to a variance(s) must be in writing and received by the City Manager or specified designee at least three weeks prior to its expiration date in order for the request to be placed on the approving board's agenda.

In reviewing a variance request, the Planning and Zoning Board as applicable, shall find that the following criteria has been considered:

Variance Procedure (Section 69-91(a) of the Code):

- (1) Requests for variances from the requirements of this Chapter shall be heard by the Planning and Zoning Board. No variance may be granted unless the applicant establishes, by substantial competent evidence, that:
 - (1) A literal enforcement of the provisions of this article would result in extreme hardship due to the unique nature of the project and the applicants property;
 - (2) The variance being sought to be granted is the minimum variance that will make possible the reasonable use of the applicants property; and
 - (3) The granting of the requested variance will be in harmony with the general intent and purpose of the Chapter and will not be injurious to the area involved or otherwise detrimental or of adverse effect to the public interest and welfare.

(b) In granting any variance, the Planning and Zoning Board may prescribe appropriate conditions and safeguards;

(c) The Planning and Zoning Board shall prescribe a reasonable time limit not to exceed one year within which the action for which the variance is granted shall be initiated;

(d) Variances shall not be deemed to set precedence for other applications should they be either standard applications or those requiring variances;

(e) In no event shall the Planning and Zoning Board grant variances permitting construction of structures which interfere or violate the riparian rights of adjacent properties.

I have read and understand the preceding nine (5) variance requirements.
