## Paint the Treasures of Treasure Island

The Art Guild of Treasure Island will host a plein-aire painting day on Saturday, December 15, 2007 beginning at 9:00am. Approximately twenty (20) Guild artists will register at the Treasure Island City Hall to identify their painting medium. The artists will then disperse throughout Treasure Island to the locations of their choice. At 2:00pm, the artists will submit their work at the Treasure Island Community Center where the paintings will be placed on display. At 3:00pm, the public will be invited to view the artists' work, meet the artists and select the most appealing representation of the Treasure Island Treasures.

Light refreshments will be served.

For additional information, please contact Pete Garino at (727)345-4150.
