401(a) Governmental Money Purchase Retirement Plan

The City offers a 401(a) retirement savings plan through International City Management Association (ICMA) with pre-tax contributions. Federal income taxes are deferred until your assets are withdrawn, usually during retirement. Due to strict IRS regulations, new employees have 60 days from hire date to enroll, otherwise the benefit is forfeited. A summary of the plan's benefits are provided below.

- Employer's contribution is eight percent (8%).
- Employee's contribution is five percent (5%).
- Income taxes are reduced while investing for retirement.
- Earnings accumulate tax deferred.
- Convenience provided through payroll deductions.
- If you change jobs, you have the flexibility to move your account into your new Employer's retirement plan.

457 Deferred Compensation Retirement Plan

The City offers a 457 Deferred Compensation retirement savings plan through two companies, International City Management Association (ICMA) or Nationwide. A 457 plan is a supplemental retirement savings program that allows you to make contributions on a pre-tax basis. Federal income

taxes are deferred until your assets are withdrawn, usually during retirement. A summary of the plan's benefits are provided below.

- Income taxes are reduced while investing for retirement.
- Earnings accumulate tax deferred.
- Convenience provided through payroll deductions.
- If you change jobs, you have the flexibility to move your account into your new Employer's retirement plan.
- If you retire or leave prior to retirement, there is no penalty for withdrawals.

While there are strict Internal Revenue Code limits to the amount you contribute each year, this retirement program offers flexibility to make changes to your contributions within those guidelines as often as you wish without penalties or fees. There are no restrictions or charges for reallocating your investment mix, and there are a wide variety of investment options to choose from. There are no minimum investment requirements for this plan. Your designated beneficiary is entitled to receive all remaining funds in your account in the event of your death.

Credit Unions

City employees are eligible for membership to most of the surrounding credit unions. Credit unions are member owned financial service cooperatives established to serve their members by offering better dividends on savings, lower rates on loans and fewer service fees than other financial institutions. Information regarding each credit union may be obtained in the HR Office.

Supplemental Insurance

AFLAC offers a variety of voluntary supplemental insurance plans that may be purchased separately on a voluntary basis and premiums are paid via payroll deductions. AFLAC offers the following plans; additional information can be obtained through the HR Office.

- *Personal Accident Indemnity Plan
- *Personal Cancer Indemnity Plan
- *Personal Disability Income Protector
- *Personal Sickness Indemnity Plan
- *Specified Health Event Protection
- *Life Protector

Flexible Spending Accounts

The City offers Flexible Spending Accounts (FSA's) through AFLAC to all eligible employees on a voluntary basis. FSA's allow you to set aside money for reimbursement of medical and day care expenses you regularly pay. The amount you set aside is not taxed and is automatically deducted from your paycheck and deposited into your FSA account. During the year you have access to this account for reimbursement of some expenses that are not covered by medical insurance. It is important that you be conservative when estimating your medical and/or dental expenses, as IRS regulations state that any unused funds at the end of the plan year are forfeited. See the HR Department for additional information.

Employee Golf and Tennis Privileges

City employees may play golf or tennis at the City's Treasure Bay facility without paying a fee. Playing partners who are not employees pay full fee. Your City ID or recent pay stub and drivers' license will be required at the time you wish to utilize the facility. No reservations will be accepted. Play time may be limited and or interrupted based on league or tournament needs.

Employee Fitness Room

The City provides a well-equipped fitness room in the Police Building that is open to all City employees. To use the facility, notify HR, complete the exercise waiver and release form, and then you will be provided with the access code for entry. Please bring a towel to wipe down the equipment after use. Shower facilities and changing areas are provided.

COBRA

The Consolidated OMNIBUS Budget Reconciliation Act (COBRA) requires that most employers sponsoring medical plans offer employees and their families the opportunity for a temporary extension of group insurance coverage at group rates in certain instances where coverage under the plan would otherwise end. An employee, their spouse or their dependent child covered by the City of Treasure Island's group medical plan has the right to choose this continuation of coverage if coverage is lost for any of the following qualifying events provided below. It is the responsibility of the employee to immediately notify the HR Department when a covered member experiences a qualifying event.
