

Treasure Island Summer Camp
Sunscreen Policy

Child's Name: _____

It is the parent's responsibility to apply sunscreen for daily camp activities. It is recommended that this is done on a daily basis before coming to camp. Also, that the child be sent to camp with sunscreen so the sunscreen can be reapplied if necessary.

When necessary, a City of Treasure Island staff member will assist each child that may be unable to personally apply his/her sunscreen. When a child needs such assistance, the staff member will apply sunscreen only on the exposed parts of the child's skin. Children will be requested to apply sunscreen along their suit lines. Also, the staff member will always try to apply sunscreen while another staff member is present.
